Dear Jeff,

On behalf of New York Families for Autistic Children (NYFAC) and the individuals and families we serve, I would like to personally thank you for generously donating your labor and materials to cap and waterproof our shed.

Your efforts will go a long way to ensuring that everything stored inside stays safe and dry.

Once again, thank you. It is because of big-hearted people such as yourself and companies such as yours that we are able to help the individuals and families that we do. Your contribution and thoughtfulness will help us continue our mission of

*"Helping parents . . .*

*Help their children . . .*

*One family at a time."*

Sincerely,

Andrew Baumann,  
President & CEO
